Land Acknowledgement

Together, we acknowledge that the NSU campuses are located on the traditional and contemporary lands of Indigenous nations, including Caddo, Tunica, Biloxi, Ofo, Chahta, Adaes, Apalachee, Apache, Chatot, Pascagoula, Chitimacha, Coushatta, Alabama, and other Indigenous nations, including Native refugees from other nations. Indigenous nations care for and are cared for by the land. The relationships between the original peoples and their lands remain of great historical, spiritual, cultural, and personal importance. We recognize the sovereignty of modern Indigenous nations, and through this land acknowledgment, we affirm our commitment to supporting tribal self-determination through education. We give our gratitude to the elders, past and present, who have cared for these lands and join in their commitment to the lands' stewardship. We thank the Tunica-Biloxi Tribe, which hosts our Marksville campus on their tribal land.
